Q. 33. What is justification?
A. Justification is an act of God's free grace, wherein He pardoneth all our sins, and accepteth us as righteous in His sight, only for the righteousness of Christ imputed to us, and received by faith alone.

Each week we focus on Missionaries and Organizations we support as a local church.

From Ligonier.org: (established by R.C.Sproul)

We live in a world that needs awakening. Millions of people do not know Jesus Christ. The church itself needs renewed zeal for growing in the truth of God’s Word, for pursuing holiness, and for advancing global missions.

Scripture reveals how this awakening comes about: by a powerful movement of the Spirit of God. The Bible also tells us that when just two men prayed—Paul and Silas—the earth itself shook (Acts 16:25–26). Ligonier is dedicating the entire year of 2025 to pray for awakening, and we hope you will join us.
