### MISSIONARY CORNER

Each week we focus on Missionaries and Organizations we support as a local church.

From Daniel Mack, with the Salt Company:

Hello, I'm Dan, a student in environmental engineering at the State College of Environmental Sciences and Forestry College in central NY. While attending school, I run cross country and track, work a part time job, tutor and attend church every Sunday and Thursday night at Radiant church. Through all of this, my family at Radiant and my family from home in Buffalo NY have supported me and my walk with Jesus.

God has moved in many ways in my life. In Radiant church, the college ministry is called the Salt Company program. It is nationwide within the United States. In Salt, I have found a great community to support me, from my amazing Campus Group Monday nights with other young men around my age to Thursday services in Salt worshiping the Lord most high. This is why I am going on this missions trip to Thailand!
