## **MISSIONARY CORNER**

Each week we focus on Missionaries and Organizations we support as a local church.

An update from Bob & Carmen Morrison:

Bible Fellowship Center,

A little over 2 months ago, our Ethiopian teammate, Teka, brought a small team with him to an urban poor community over 200km south of Addis Ababa to launch our trauma healing process.

Thirty-two leaders from 16 churches in this majority Muslim community participated in the awareness raising and engagement workshops. All of them returned to participate in intensive Breaking Barriers that concluded last week.

We praise God for how the pastors were so deeply impacted. One leader was so moved he said, “[Before this program] we were in the grave, dead.” They are eager for Teka to return to train them to start their own groups, but it is no longer safe for him to travel there due to armed militia who “mark” regular travelers to kidnap for money.

Pray as Teka arranges for a pilot group from these churches to travel 200km to Addis Ababa to be trained to reproduce Breaking Barriers in their communities.
