MISSIONARY CORNER

Each week we focus on Missionaries and
Organizations we support as a local church.

From OpOverwatch.org:

OpOverwatch is a Law Enforcement Trauma Resiliency Ministry seeking to normalize trauma's effect, and walk through it as a community. The Post Traumatic Stress effects of trauma on an officer and combat vet are normal reactions to abnormal life circumstances. At OpOverwatch, we understand the benefits of normalizing the body's response to trauma and we understand that it is not a disorder. We approach trauma resiliency through four strategic paths: Benevolence, Outreach, Edification, and Training. Benevolence is the opportunity to care for, and love on, officers as individuals and entire departments. For example, each December we reach officers who've encountered severe trauma with the OpOverwatch "Shop for a Cop" program. To date we have provided 140 "Shop for a Cop" baskets. We've also reached entire departments with OpOverwatch Benevolence Packages, of which over 1500 have been provided since 2020. Throughout the year, we provide comfort & care packages to individual officers who've been through severe trauma. We also provide much needed rest amidst chaos, by way of meals for officers who've been severely injured on duty. Edification is the Biblical and Christ centered portion of the ministry. This is available to any officers who desire to know more about faith in Jesus Christ. We believe that a growing knowledge of Christ, through Biblical Truth, is the foundation of true hope, and peace, for an officer. OpOverwatch participants can choose to engage in a variety of edifying activities that center on an understanding of a Biblical world view, and the transformational power of knowing Jesus Christ.
