MISSIONARY CORNER

Each week we focus on Missionaries and Organizations we support as a local church.

The Christian Law Association offers a wide variety of services free of charge to churches, ministries, and Christians. Some of these services include but are not limited to: Free legal counsel to churches and Christians for their ministries, free legal defense of those facing difficulties for the Biblical faith, free legal help for homeschooling families, and free consulting to local, state, and federal officials and legislators to provide maximum religious liberty.

The Christian Law Association works hard to keep ministries, churches, and the Christians of our nation up to date on the latest legal battles threatening our freedoms. Some of these efforts include: The Legal Alert radio program – now heard on 1,600 outlets, and publication of a monthly newsletter, The Legal Alert.

The Christian Law Association regularly holds and participates in revivals, seminars, conferences, and a variety of other speaking events in order to educate and engage Christians with the resources they need to grow in the faith and defend their liberties. Some of these outreaches include legal seminars for ministries to help prevent lawsuits, preaching in churches across the country, intercessory prayer ministry for requests sent to the ministry office and the Capitol Prayer Initiative.
