MISSIONARY CORNER

Each week we focus on Missionaries and Organizations we support as a local church.

The vision of MissionGo is for all people to know and experience the life-changing work of Jesus Christ. They have missionaries in countries with ministries that include establishing and running orphanages, schools and learning centers, emergency response teams, humanitarian aid in war torn areas, and relief funds for poverty-stricken areas. Bible radio broadcasts are reaching far and wide in areas where there is no other way to reach the people, and actual radios are being provided to areas where they otherwise would not be able to tune in to those broadcasts. They also provide clean water for areas that do not have sufficient clean water supplies by the distribution of water filters, and they dig wells in many countries that do not have any water supplies. Please pray for those working at their headquarters here in Buffalo as they minister to the world.
