### WESTMINSTER CATECHISM

Q. 96. What is the Lord's Supper?

A. The Lord's Supper is a sacrament, wherein, by giving and receiving bread and cup, according to Christ's appointment, His death is showed forth; and the worthy receivers are, not after a corporal and carnal manner, but by faith, made partakers of His body and blood, with all His benefits, to their spiritual nourishment, and growth in grace.

Luke 22:19-20; 1 Cor. 11:23-26, 1 Cor. 10:16-17

## MISSIONARY CORNER

Each week we focus on Missionaries and Organizations we support as a local church.

An excerpt from Bob & Carmen Morrison's March update:

Dear Bible Fellowship Center,

Every time I hear stories from our lay counselors, I'm reminded why your support matters so deeply. The people they walk with aren't just looking for advice — they're looking for someone safe enough to tell the truth to. And because of your support, they're finding exactly that. "Lubanzi" meets every Thursday with a young man who used to be known for one thing: anger. He fought constantly. He trusted no one. But as Lubanzi listened — really listened — the deeper wound surfaced: he grew up without a father. The anger was grief in disguise. Week by week, something softened. He began talking about his father. Then he forgave him. Today, they're rebuilding a relationship he once believed was impossible. The change is so real that he's already referred two friends who want the same kind of help. This is the quiet, sacred work you make possible. Our dream is to equip one lay counselor for every church served, so no one will be left alone.

We welcome Bob & Carmen Morrison to our service this morning!
