MISSIONARY CORNER

Each week we focus on Missionaries and Organizations we support as a local church.

From Christian Law Association, christianlaw.org: The Christian Law Association has been committed to the preservation of freedom in America for over fifty years. Since 1969, CLA attorneys have had the privilege of standing in courtrooms across America defending the rights of believers. However, an even greater battle rages in the fight for the freedom of each person's eternal soul.

According to God's Word in John 8:32, "And ye shall know the truth, and the truth shall make you free." My friend, there is only one true Giver of Freedom; that Source is Christ alone. Do you have the assurance of eternal freedom from the bonds of sin? Please take a few moments to read from Scripture how you can know for sure that this eternal freedom given by Christ belongs to you. Our motivation for this ongoing fight for religious freedom is our Savior: the true Source of freedom—freedom from sin.
