PRAYER REQUEST CARD

MISSIONARY CORNER

Each week we focus on Missionaries and
Organizations we support as a local church.

From Rev. M. N. Ashirvadam and Miriam:

Greetings to you in the Lord's Name!

Here we are bringing news, thanks, and praise for all the Lord is doing
through our ministry.

You have stood with the precious children in India, and we want you
to know what that has meant this year. It is easy to give month after
month and never quite see the other end of it. Seventy-one children
live at Ashir Children's Home today. They are fed, they are in school,
they are safe, and they are loved. That sentence is not a small thing. It
has been true every single day of this year, and it has been true
because of people like you.

We have three acres of our own land, approved plans, and teachers
who are ready and waiting. Our need now is the school building. In the
villages around our gate, more than eight out of ten children under
fifteen are sent to daily-wage work instead of school. We have
watched for thirty years what that costs a child, and we have also
watched what happens when one of them sits in a classroom instead.
One boy who came to us in Class 3 will finish an engineering degree
this year, with a job already waiting for him.
